Illinois Primary Election

“Elections belong to the people.
 It is their decision.
 If they decide to turn their back
 on the fire and burn their behinds,
 then they will just have to sit on their blisters.”

~Abraham Lincoln

Dear Illinois Voters,

Primary Election Day is fast approaching. On Tuesday, February 2nd, 2010, we will have an opportunity to decide which men and women will be placed on the November ballot and then on to public office to decide the critical issues of the day in Springfield and Washington for the next two to six years! It's critical that you vote in the Primary Election, but it's just as important that you be fully informed about where the candidates stand on the issues and values that are most important to you and your family.

That's precisely the purpose of this *Voter Guide*. It's a service provided every election season by the **Illinois Family Institute**. The *Voter Guide* is a compilation of information gathered from impartial candidate questionnaires, as well as voting records and publicly articulated positions.

We hope this Guide will be a help to you. Will you prayerfully consider sending a tax-deductible donation to IFI to help offset the cost of this important service? For more information call 708-781-9328 or visit us at www.illinoisfamily.org.

Dear Neighbor,

This 2010 Illinois Primary Election Voter Guide is designed to help you make informed choices between candidates competing for your vote. Your vote will ultimately decide which candidate from a party will run in the General Election in November. The Primary election is critical and so is your participation in it.

Our government was established of the people, by the people, and for the people. It's the best in the world. But if the 'people' continue to turn away from their responsibility as citizens to be involved in the political process, our form of representative government will cease to exist.

Please take time to review this Guide and be sure to vote on Tuesday, February 2nd, 2010. Your vote will decide which men and women will be placed on the ballot in November and then on to public office to decide the critical issues of the day in Springfield and Washington for the next two to six years!

We also offer a one-page, double-sided online version broken down by 19 Congressional Districts. You can download them and distribute them to your family and friends. Visit www.illinoisfamily.org.

An Information Resource

This 2010 Illinois Primary Election Voter Guide is compiled to help you make educated and informed decisions about the candidates on the February 2nd ballot. The Guide is nonpartisan and is not intended to endorse or oppose any candidate, whether explicitly or implicitly. It simply provides pertinent information about the candidates themselves and their positions on issues of importance.

In some cases, candidates chose not to answer our questionnaire or did not respond despite several attempts to contact them. In the case of incumbents who did not answer our questionnaire, we have indicated their positions on the questions based on specific votes cast during their tenure. For those candidates for whom we have no response, we encourage you to contact and question them directly. Candidates included in this IFI guide are those who filed with the Illinois State Board of Elections and are listed in the Illinois State Board of Elections Candidate List for the February 2010 Illinois Primary Election.

2010 Voter Guide | IL Statewide, Senate & House Candidate Survey Questions

Statewide, Senate & House candidates were asked if they Support or Oppose:

- 1 | Civil Unions — marriage benefits for same-sex partners. (HB 2234, House Amendment 1 to SB 1716 – 2009)
- 2 | Reproductive Health & Access Act — removes all IL abortion restrictions. (HB 2354 - 2009)
- 3 | Tax/Fee/Gambling increase to provide revenue for \$31 billion "Build Illinois" capital program: authorized 5 video gambling machines in establishments serving liquor; increased tax on candy bars and alcohol; increased fees for license plates and driver's licenses. (HB 255 – 2009)
- 4 | Medical Marijuana — permits authorized persons to legally grow and possess up to 6 marijuana plants and 2 ounces of marijuana. (SB 1381 – 2009)
- 5 | Equal Rights Amendment — ratifies the federal ERA thus eliminating all gender-based distinctions (widows collecting husband's social security, gender-exclusive schools and organizations such as Boy Scouts, would usher in same-sex marriage, would remove restrictions on all abortion procedures and would require young women to register for the selective service). (HJRCA 3 – 2009)
- 6 | Marriage Amendment — would place a ballot referendum before IL voters asking if the IL Constitution should be amended to define marriage as the union of one man and one woman. (HJRCA 2 – 2009)
- 7 | Sex Education — requires schools to teach undefined "age-appropriate" information on sexuality which, according to national SEICUS guidelines, includes training in condom usage and presents homosexuality as a positive alternative lifestyle. (SB 2267 - 2006)
- 8 | State Income Tax Increase from 3 to 4.5 %. (House Amendment 4 to SB 2252 – 2009)
- 9 | Authorizes an IL driver's license certificate to illegal aliens. (HB 1100 – 2007)
