Eric,

Please call me if you have any additional questions/concerns. I am in DC Mon-Wed at the National Citizen Corps Conference. FYI, ABC 20/20 ran a national story on the Heimlich Family Feud Friday night (nothing about us) This was excellent for us as it shows what we have been talking about all along and the lengths Peter Heimlich would go to destroy his father. All is ok regarding funding, and we are getting Obama to help push through our legislation for an additional 10 million which is part of the Homeland security bill. Our plans include expanding your area. ABC reporter will likely be out of a job soon. He has been totally discredited and the network story is proof he was just after us based on Peter's activities.

Hi Vince,

I just got off the phone with Carrie and she instructed me to get in touch with you.

I have been asked to meet with the Director of Secondary Education and the Assistant Superintendent of the Edwardsville School District. They are requesting to fill the "final piece of the puzzle" with the SALF program, how we will implement and sustain the SALF program at the Edwardsville School District. Naturally, I am aware of the recent press from ABC of Chicago and am concerned about SALF funding.

Please give me your thoughts on the future of SALF funding in our area. Edwardsville is a large school district and this has been a goal of mine for the past 2 years.

Thanks
